Dear Sir:

At the suggestion of Mr. Charles F. Rand I am writing to ask if you would care to consider the invitation to become an Associate Member of our Society. The dues are but five dollars annually, and membership would entitle you to all the publications issued by us during the year.

I am enclosing an application card which I should be very glad to have you fill out and return should you care to affiliate yourself with this Society.

Trusting I may receive a favorable reply,

Very truly yours,

Encs.

Dear Sirs:

I thank your Secretary very much for the opportunity to join, offered at the suggestion of Mr. Charles F. Rand. At present I am trying to keep down my memberships of this character and shall not avail myself of your kind offer.

Mr. de Francisci the other day promised to enter with the Society my subscription to one bronze and one silver example of the Paul Revere medal. I want these to give to a friend born Miss Pauline Revere.

Yours very truly,

Richard W. Hale.
